

Choir Camp Information

Arrival

Camp check-in begins at 4 pm. Please do not arrive early as we will not begin check-in until 4 pm. We will do curb side check-in so please remain in your car. If your child has medications for the week, they will be taken at check-in. After check-in you will proceed down to the cabins to drop off your child's belongings. There will be a swim test following check-in.

How is my child doing?

Please expect that your child is doing great! If there is any problem, we will contact you immediately but otherwise, please assume that no news is good news. Cell service at camp is scarce at best, so we will not be returning texts or voice-mails inquiring about how your child is doing.

What to Bring...

Sleeping Bag/Twin Sheets
Pillow
Shower and Beach Towels
Shower Caddy
Soap and Shampoo
Toothbrush and Toothpaste
Shower Shoes
Pants and shorts
Shirts and Sweatshirts

Personal Electronic Games (DS, ect.)

* Do not plan on using phones for calls or texts
* iPods and other music players will only be allowed during quiet times as directed by your counselor.

Talent Night

Each cabin is expected to prepare a group skit. Be thinking of skits to perform and/or musical or other talents to share.

The Close of Camp

Camp closes with our closing program in the dining hall at **10:00 am** on Saturday, July 29. During the program all luggage and other belongings will be brought up to the dining hall by the camp staff. When you arrive please **DO NOT** attempt to go down to the cabins.

Where is Camp?

Choir Camp is held at Camp Lael: 2062 Ferns Road, Lapeer, MI 48446

Choir Camp Sunday

The final event of Choir Camp is singing at the 10 am worship service on Sunday, July 30. Every camper is expected to participate. Please wear your camp t-shirt and jeans. Meet in the choir room at 9:15 for warm-up. We will need help unloading the camp van Sunday morning at 9:30. Parents, please plan on stopping by the east entrance to help unload the camp van after you drop your student off.

Food

Food in the cabins can lead to a "little critter" problem for the whole cabin. Please limit the amount of snacks you pack to help minimize this problem. Also, when sending care packages, something other than food or, only an amount of food that can be eaten quickly, is a good idea!
